BEACON ST MARY'S

Please scan the QR code to book for each event

PLEA for help.....

Would you like to try running the vision desk on a Sunday morning? Help is very much needed for more volunteers as currently only Graham and Jo are on the rota.
It isn't difficult and full training would be given.
thank you

AIM Mission Partners...

Greetings from Cardiff!

We have some recent news that we wanted to share asking you to keep us in prayer.

Since the end of August, Simon has had significant back and radiating leg pain. Long story short, Simon has had an epidural injection on Oct 8th to see if this gives relief in hopes of avoiding surgery. As a result, Simon is currently unable to work and has restricted range of motion.

We're thankful for a good start to the academic year as Leanne continues to lead the Women's English and Sewing classes at our local church:

We thank God for good attendance and the provision of new team members in the Women's English classes. It's a joy to once again be able to offer childcare to those who attend Tuesday classes.

We thank God for the International Women's sewing class which is running at capacity with a waitlist. In recent weeks, the "Thought for the Day" on straight versus zig-zag stitches and verses from Proverbs has prompted good discussions during the class tea time.

Please join us in praying for receptive hearts of those who come as they hear Bible stories, testimonies and Gospel presentations both in and out of class.

Thanking God for you and your continued prayers, support and encouragement.
Serving together with you in Christ,
Simon and Leanne for the family
